

STATUTORY DECLARATION

I understand that members of the Institute of Certified Management Accountants (Australia) may only use the ICMA post-nominals with that of other academic and/or professional qualifications from recognised universities/professional associations.

Therefore, should I become a member of ICMA, I will not use the ICMA post-nominals along with awards from unaccredited universities, such as the Atlantic International University, on any document, letterhead or business card.

I also understand that members found to be using such unaccredited or unregistered post-nominals along with those of the ICMA will be asked to stop continuing the practice as it devalues the ICMA qualification; and that those members who opt to continue the practice risk losing their membership status with ICMA.
